Subject: Villages of Westport Community Development District Board of Supervisors Vacancy

To: ssweeting@gmsnf.com

I am putting my name is the hat for the vacancy on the board here is my resume:

I have lived in the community since 2018, been a block captain since then as well. I have a great working relationship with members on both the CDD and the HOA board. Volunteered to get things rolling with the new ARB process and guidelines. Currently part of the ARB approval process board.

Military veteran, retired after 22 years, with most of my time being spent here in Jacksonville, so I am familiar with the area. I am an ordained minister and currently working to be endorsed as a Community Services Chaplain through my local church, to be able to help with community outreach.

I have worked as a mentor for the Florida Youth Challenge Academy, even mentoring a teenager within our community in the program.

My current job is working for Southeastern Grocers in the ecommerce department, so my job directly helps Winn-Dixie and Harveys grocery stores work and relate within the community.

Let me know if there is anything else you would like to know. Happy New Years.

Field Operations Report

Date of report: January 15th, 2024

Submitted by: **Tim Harden** 

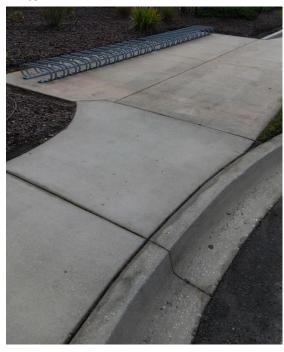

#### **Maintenance projects completed:**

1. Staff pressure washed the amenity center sidewalks and curbing.

After

2. Staff removed a dead tree that had fallen across the sidewalk along Braddock Rd. **Before** After

3. Staff hired All Weather Contractors come out and dig up the sinkhole that was repaired last summer since it was starting to cave in again. There was another joint that failed about six feet down the pipe from where the last repair was made. Two pieces of piping were joined together by zip ties. The contractor formed up and poured a concrete flange around the joint to give it a water-tight seal going forward.

4. Staff replaced a broken landscape light fixture at the entrance to Keniston.

Before After

#### Estimates for resurfacing the pool

There are several spots around the returns in the pool where the surface has degraded. We have solicited bids from several pool contractors for resurfacing the pool. The consensus is that the damage is to extensive to be repaired. Although the District does not have the funds to undertake this project in the current year, we need to begin planning for this to be done in the near future. Resurfacing the pool is probably one of the largest expenses that a CDD will incur. The proposals collected are as follows:

Oak Wells Aquatics \$68,639

Epic Pools \$148,500

Crystal Clean Repairs \$136,584

Tempool \$250,000

#### **Current Year Budget Restraints**

As we are all aware the District is facing some very real financial constraints. As a result, we will have to operate on a shoestring budget for the remainder of the year. We will only be able to make repairs that are of an emergency nature until more funding is available.

If you have any comments or questions, feel free to contact me at tharden@vestapropertyservices.com.
